

Specifications

IA42B

- Brushless Motor, features speed & position double closed-loop control
- Support multi-axis synchronous control
- Input Voltage: 12 or 24 or 36VDC
- Max Load: 200N
- Speed: 45-230mm/s
- Duty Cycle: 30%
- Operating Temperature: -26°C to +65°C
- IP Grade: IP54
- Limit Switch: Built-in
- High-speed
